Thanks Mike.

One of my to-do's was to forward a link(s) for Silver Lake cap info. The following link is for the May 2015 Final Completion Report:

<https://semspub.epa.gov/work/01/577220.pdf>

The overall GE-Pittsfield/Housatonic River site link is:

<https://www.epa.gov/ge-housatonic>

Silver Lake can be selected from this page, under "Cleanup Areas in Focus".

For convenience, I've also attached the 5 slide summary presentation for the SL cap that we discussed back in March.

Talk to you at 1pm.

Dave
